

Pastel Impressionism Materials List

Explore the forgiving and simple media of soft pastels. References will be provided varying in subject matter and style. Working together as a class in a step by step manner you discover how a professional artist begins, creates and finishes a work of art. This method of teaching gives you confidence and allows you freedom to develop your own style. Color theory, application methods and diverse techniques are used to teach you use of texture and dimension in your paintings. Every session you can always count on new and exciting references that I will teach from. All levels are always welcome. The supply list is below.
